

BAILEY

The Signature Collection

Diane Watts
Exquisite Mirrors & Fine Furniture

Bailey, noted for its centre oval and mirrored frame, is unique, very versatile and suitable for customization to suit any need. It was inspired by the blending of several classic mirror concepts and named for renowned Canadian designer Stephen Bailey.

Our unique Bailey can be customized to suit any need. Examples that have been very successful are antique mirror borders with a clear mirror centre, or subtly graduated hand applied antique mercury mirror throughout. When executed in all clear mirror it gives the appearance of a stylized Venetian mirror.
